Privia and Recaro fix win Plus X Award

Recaro Child Safety is proud to announce yet another award for Privia and Recaro fix base. The Plus X Award jury were convinced by the ingenious design, which is typical for Recaro products and provides the perfect combination of ergonomics, functionality and aesthetics. Both products also impressed with the high quality of materials and workmanship. Given these facts, the Privia and its matching Isofix base were awarded the Plus X quality label.

The Plus X Award is a prize for innovative products in the fields of technology, sports and lifestyle. It is presented for the 12th time and honors manufacturers for the quality advantage of their products. Those must have that certain something, at least one "Plus X" factor. A jury consisting of journalists and experts from 27 industries has recognized this prize-worthy added value in the Recaro products especially in the categories "High Quality", "Design" and "Functionality".

Over the few next weeks all first round winners will also have the chance to enter for the coveted title of "Best Product". The official award ceremony will take place in the old German Bundestag in Bonn on June 18th, 2015.

RECARO Child Safety, located in Franconian Marktleugast with branches in four countries, is an independent operating subsidiary of the RECARO Group.

The RECARO Group also encompasses the division RECARO Aircraft Seating (aircraft seats) in Schwäbisch Hall as well as the RECARO Holding located in Stuttgart. The Group's consolidated sales amounted to more than 382 million euros in 2013. Currently the Group employs more than 2,000 employees at its locations around the world.
