

Fact Sheet

The executive management of Recaro Holding

Martin Putsch, Chief Executive Officer:

As Chairman of the Board and owner of the RECARO Group, Martin Putsch has led the family business – now in its fourth generation – since 2002. He is currently responsible for realigning the RECARO Group as a brand company.

Dr. Bernd Gaiser, Chief Corporate Development and Financial Officer:

Dr. Bernd Gaiser is Chief Corporate Development & Finance Officer of the RECARO Group. From 2001 to 2012, he served as Board Spokesman of the Stuttgart-based management consultancy Horváth & Partners and brings many years of experience advising medium-sized companies – particularly in the area of business development – to his new position.

Hartmut Schürg, Chief Brand and Design Officer:

Hartmut Schürg is Chief Brand & Design Officer of the RECARO Group. He most recently held the position of Vice President Platforms at RECARO Aircraft Seating, which he joined in 1996 and he not only left his mark in the design area, but also in terms of brand identity. He commands a deep understanding and thorough knowledge of the RECARO brand. Through his many years of experience in developing and designing aircraft seating, Hartmut Schürg also embodies the group's commitment to optimally combining fascinating design with ergonomic functionality.
